# I LL BE SEEING YOU

By: Chris Beck

I'll be seeing you in all the old fa-miliar places that this heart of

mine embraces all day through (all day through) In that

small café the park - across the way the chil- children's they

carousel the chestnut trees a wishing well I'll be seeing you in

every love-ly summer's day in every-thing That's light and gay I'll always think of

you that way I'll find you in the morning sun and when the night is new
