Roll to Me

- JS Look around your world pretty baby
 Is it everything you hoped it'd be?
 The wrong guy, the wrong situation
 The right time -- to roll to me
- TB Look into your heart pretty baby
 Is it aching with some nameless need?
 Something wrong and you can't put your finger on it?
 Right then, roll to me
- RB And I don't think I have ever seen a soul so in despair
ED So if you want to talk the night through, guess who will be there?
- JM So don't try to deny it pretty baby
 You've been down so long, you can hardly see
 When the engine's stalled and it won't stop raining, it's the
 Right time -- to roll to me
- RB And I don't think I have ever seen a soul so in despair
ED So if you want to talk the night through, guess who will be there?
- JS So look around your world pretty baby
 Is it everything you hoped it'd be?
- TB The wrong guy, the wrong situation
 The right time -- to roll to me
- RB Right time -- to roll to me
- ED Right time -- to roll to me
